

***Overview of Social Events, Fees, & Fundraising Programs
During the School Year
that Support St. Patrick School and Parish Community***

There are many events that take place during the school year that support our community socially and financially. The following overview of these activities is provided for your reference..

St. Patrick School and Parish rely on fundraising to fulfill a portion of their financial obligations.

In an effort to reach as many families in our community as possible, St. Patrick School charges tuition and fees at 90% of actual expenses and relies on many fundraising programs to cover the remaining 10% of our expenses and bridge the tuition gap.

Below is an overview of these activities.
